

# The Papillon Learning Centre

A PLACE FOR FAMILIES AND CHILDREN LIVING WITH AUTISM

*"spread your wings..."*

The Papillon Learning Centre Ltd. is seeking a few experienced therapists to join our existing teams. The successful candidates will possibly be working both in home and in centre environments, as well as in the community.

Positions available:

Mississauga - Monday and Wednesday 1-5

Toronto - Tuesday and Wednesday 12-4 or 1230-430

Cambridge - Tuesday and Friday 230-630

Responsibilities:

- Providing one-to-one IBI therapy to children with autism.
- Complete required data and graphs
- Making resources and materials to be used during therapy sessions
- Engaging in various community outings to generalize and learn new skills
- Working collaboratively as a team with other therapists to ensure optimal learning by the client

Qualifications include:

- Degree/Diploma in a related health sciences field.
- Minimum of 6 months experience working as part of an ABA team
- Experience working with children or adolescents
- Ability to work independently
- Creative and enthusiastic
- Self-starter
- Strong organizational skills.

Interested candidates should submit their resume and expected hourly rate:
