

Parents of children with an autism spectrum disorder

Parents of children with an autism spectrum disorder are needed as volunteers to participate in a research study investigating how their children recognize pain in others and how they express pain.

Volunteers will participate in an interview study where they will be asked to fill out a series of questionnaires.

Volunteers can be interviewed in person at Bloorview, SickKids, or over the phone.

We need volunteers who:

-Have a child (3 years - 18years) diagnosed with an autism spectrum disorder.

This study will take up to 1.5 hours.

Participants will be compensated for their time.

For more information, please contact Emma Duerden at **416 813-7654 ext.2479** or emma.duerden@sickkids.ca
